Qualitative aspects

- What we mean by the priesthood of the believer
- Regular accountability in a loving environment for obeying what the Lord is speaking to each person and for them to pass it on to others
- Vision is given both for reaching one's own relational network and for extending the Kingdom to the ends of the earth with an emphasis on the darkest places
- Equipping for interpreting and applying Scripture, prayer, body life, and responding well to persecution and suffering
- Intentional reproduction of of disciples, churches, leaders, and movements utilizing the training cycle to seek generational reproduction
